

You can book a tutoring session by scheduling here: <https://tinyurl.com/BootCampTutorTeam> .

You may schedule one session per week. Please note our week runs Monday - Sunday. **Unused sessions are forfeited; they cannot be saved for future use.**

IMPORTANT:

- Please use the **email address you use to log into Bootcamp Spot** when booking a session. Using the wrong email may result in the session being canceled by the Tutor Admin team.
- Be sure to answer all questions accurately in the booking form linked above as it will ensure the best experience following your submission.

Tutoring session expectations:

- A Zoom link is provided by email once you schedule a session.
- After every session, you will receive an email with the required feedback form. Feedback helps us continually improve our sessions.
- **No-shows** are tracked and highly discouraged. **Two no-shows can result in losing tutoring privileges.**
- **Arrive to Zoom on time:** Tutors will only wait a few minutes. You must email your tutor if you are having difficulty joining or are running late.
- **Cancellations:** If you must cancel, use the cancellation button in your email confirmation. Please do so **with at least 6 hours notice**. Even if you resolved your questions within the 6-hour window prior to your session, **do not No-Show**. As a courtesy to our tutors, we ask that you attend for review and additional help with your scheduled tutor.
- **Remember:** No-shows are tracked and can result in loss of tutoring privileges.

If you have any questions, please review the [Student Guidelines](#). If you still have questions please contact centraltutorsupport@bootcampspot.com.
